Re. the vacating of the Town Hall building occupied by the club at Tumkur

---

Sir,

With reference to your letter No L. 11601/M1. 120-42-196 dated 29-5-1943, forwarding an extract of article published in the ' Mathrubhoomi ' paper dated 10th May 1943, on the above subject and calling for a detailed report, I have the honor to forward herewith the connected papers received from the President, Town Municipal Council, Tumkur together with his letter No.H C. 94/41-42 dated 12th April 1943.

The Public Prosecutore, Tumkur who was consulted in the matter has replied that the issue is between two local institutions and that accordingly the aggrieved institution has to seek remedy in a Civil Court. A copy of the note containing his opinion is enclosed for perusal I suggest that the Advocate General also be consulted in the matter.

I have the honor to be,
sir,
Your most obedient servant,

Deputy Commissioner,
Tumkur District.

AD. 29/7.

(8

I have gone through the papers. The President, Town Municipal Council, Tumkur requests the Govt. to have the portion occupied by the Club, Tumkur vacated.

The fact that the Municipal Council wants possession of a portion of a building in occupation and enjoyment by another body i e. the Club Tumkur an institution, the matter is purely one of a Civil nature.

Therefore I beg to state that the Govt: cannot be approached in such matters and much less can the Govt. take any action in the matter as desired by the Municipal Council.

The issues are between two local institutions. In a matter like this the party aggrieved will have to seek the remedy in a competent court, without approaching Govt: which cannot give any relief to it.

Since I happen to be a member of the Club I request that, in the interest of justice, the matter may kindly be referred to the Advocate General.

Sd. K.Srikantaih,
Public Prosecutor,Tumkur.

Subject - Re.vacating a portion of the Town Hall occupied by the Club - Tumkur

Sir,

In inviting kind reference to my H C. letter of even No dated 18-3-1943 as also the previous communication dated 3-2-1943 on the above subject, I have the honour to bring to your kind notice that the Secretary of the Club has since sent a reply embodying an other resolution of the Executive Committee of the Club, refusing to vacate the building and requesting Government to reconsider their decision etc , which is quite contrary to the very spirit of the Government communication dated 6-1-1943 on the subject Copy of the letter and resolution received from the Secretary of the Club is herein enclosed for kind reference

The reply received from the Secretary of the Club was also placed before the Municipal Council on 30-3-1943 they have unanimously resolved that the reply be forwarded to you with a request to see that the Club vacates and hands over possession of the eastern wing of the Town Hall occupied by them to the Municipality as the resolution of the Club is in contravention of the Government Order dated 6-1-1943 A copy of the resolution is also enclosed for kind perusal

The intention of the Club seems to be to drag on the affair unnecessarily with a view to gain time, as there seems to be no reason whatever to pass such a resolution in the face of the specific orders of Government passed after going through the whole subject in detail Much difficulty is being experienced to accomodate the several branches of this office The records and furniture, and other property of

(10)

of the Municipality are huddled-up in the office rooms of the clerks the matter has also been personally explained to you once or twice

I therefore request you to be so good as to make early needful arrangements to see that the club vacates the eastern portion of the Town Hall, so as to enable the undersigned to locate Municipal offices in the Town Hall building as instructed by Government

I have the honour to be,
Sir,
Your most obedient servant,

President,
Town Municipal Council,
Tumkur
